ADDRESS: 24 Ghareeb Street at Hadayq el Qoubba, Cairo, Egypt

Career Objective:

Seeking to add value through quality and to leverage my technical and professional expertise to grow
In a challenging position in the field of Software Quality Engineering.

Education:

- 2016 - 2020 Faculty of Computer Science and Artificial Intelligence – Helwan University
- Grade: Good "C+" (GPA : 2.71)
- Graduation project idea: mobile application, built to differentiate between kinds of Hadiths.
  The user can be certain of the validity of Hadith by searching in our app. The application contains
  Hadiths books collected from various data sets. Our project is mainly based on the strength of our
  search engine and aimed to make your knowledge and religious background stronger.
- Project link: https://github.com/osamaadel23/Flutter_Hadith
- Graduation project grade: Excellent (A+)

  - Planned automated test cases for flutter app using flutter integration testing with Dart language.
  - Running CICD pipelines using Jenkins and CodeMagic.)
- Oct 2019 – Feb 2020: Freelance Software Tester (I worked on freelance testing projects on websites
  like Guru99 & uTest. The testing included executing test cases & running exploratory testing on
  websites, android).
- DEC 2019 - MAR 2020: Software testing Training at Testing Geeks Company: (Trained to write test cases
  - bug report - API testing basics and used this knowledge creating two projects).

Technical Skills:

• **Software Testing**
  - Good knowledge at Agile software methodologies (Scrum)
  - Good knowledge at Automation testing basics using Selenium with java
  - Good knowledge at Flutter integration testing using Dart
  - Good knowledge at CICD using Jenkins
  - Good knowledge at API testing using Postman
  - Good test reporting skills (Test Plan writing - Test Progress & Summary Report writing)
  - Excellent knowledge of Software testing techniques covered in the ISTQB syllabus
  - Excellent Bug Reporting & Test Case writing skills
  - Good knowledge of performance testing using JMeter

• **Web Technologies**: HTML, CSS, Asp.net, Laravel.

- **Programming Languages**: C, PHP, Object Oriented Programming, and java.
- **Database**: Database Fundamentals, SQL, MySQL.

Projects:

- Running Test cases, bug report and API testing on different projects
- Automation testing for e-commerce projects using Selenium with java
- Automate flutter integration testing for flutter apps projects
- Running CICD pipelines using CodeMagic.
- Live project at Utest and Guru99 website

Tools:

Jira, Trello, postman, Jenkins, CodeMagic, Visual Studio, Pycharm, Sublime, GitHub and Eclipse

Trainings:

- Workshop: testing
- Workshop: Web design (created two projects)
- Workshop: laravel (created one project)
- Technology Innovation & Entrepreneurship Centre (TIEC) for one week at smart village
- Leadership Training at Minders
- Presentation skills Training at Minders

Certificates:

- July 2018: Innovation Entrepreneurship Issuing authorities: TIEC & Intel - at Smart Village
- October 2020: ISTQB Foundation level certified Tester

Online Courses:

- Dec 2019: Testing at Testing Geeks Company
- April 2020: ISTQB Foundation level Issuing authorities: ITI
- April 2020: Effective Test Case and Bug Report Writing Techniques (Online) Issuing authorities: ITI
- April 2020: SQL Fundamental Course Issuing authorities: SOLOLEARN
- April 2020: PHP Fundamental Course Issuing authorities: SOLOLEARN

Interpersonal Skills:

- Team building and team worker
- Self-motivated
- Hard worker
- Self-learner
- Quick learner
- Excellent communication skills
- Ambitious

Language Skills:

- Arabic: native language
- English: good

Personal Information:

Date of birth: October 10, 1998
Nationality: Egyptian
Marital Status: Single

Volunteering:

MINDERS
Nov 2018 - Sep 2019
Head of Fundraising
Helwan University, Faculty of computer science and information System

MINDERS
Nov 2016 - Sep 2017
Quality assurance member
Helwan University, Faculty of computer science and information System

IEEE-HSB
Sep 2017 - Jun 2018
HR-talent management
Helwan University, Faculty of Engineering
